Project Title : "Games Around Us" Scrapbook Project

Objective :

To help students explore traditional and modern games, understand their importance, and learn about games played in different regions.

Instructions for Students :

1. My Favourite Game (1 Page)
 - Draw or paste a picture of your favourite game (indoor or outdoor).
 - Write 4-5 lines about:
 - What the game is
 - Why do you like it
 - Who do you play it with
 2. Traditional Games (1-2 Pages)
 - Ask your grandparents or parents about a traditional game they played as children (e.g., Kho Kho, Gilli Danda, Lagori).
 - Paste pictures or draw the game.
 - Write 3-4 lines on:
 - The name of the game
 - How it is played
 - What things are needed
-

3. Games Around India (1 Page)

- Research and find 3 games played in different Indian states.
 - Write :
 - Name of the game
 - State where it is popular
 - One interesting fact
-

4. Let's Stay Active! (1 Page Activity Log)

- Maintain a weekly chart where you note down:
 - Which physical game you played each day
 - For how long
 - How you felt after playing (Happy, tired, energetic, etc.)
-

5. Games and Values (1 Page)

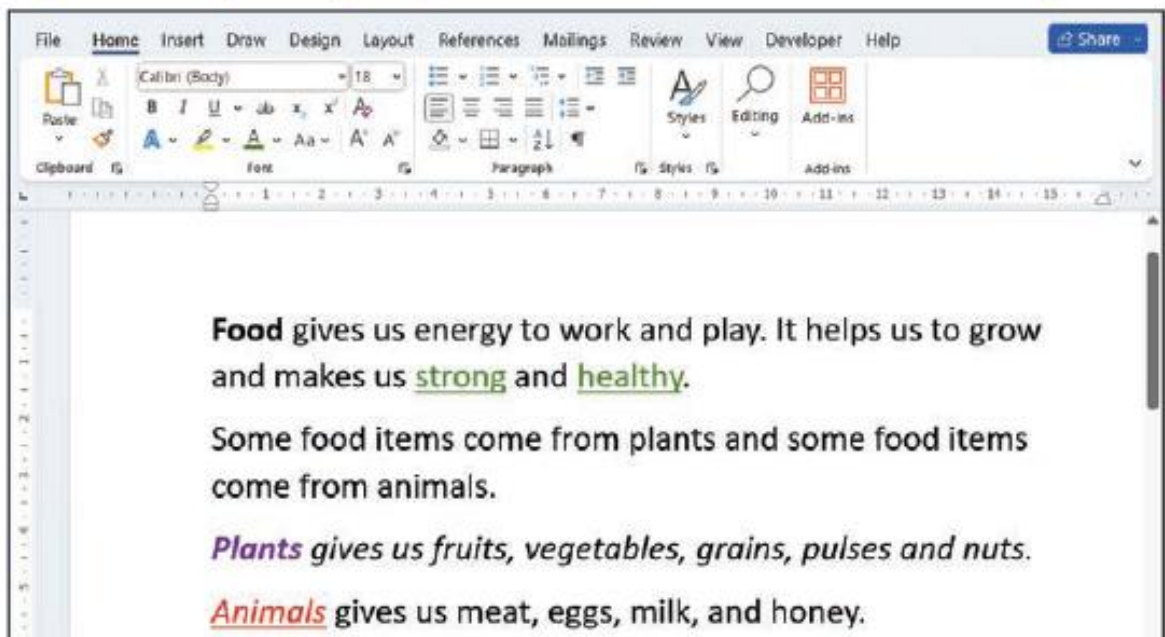

- Choose any two games and write 2 lines each about what values or skills they teach you.
 - Example: "Football teaches me teamwork and discipline."
-

Presentation Tips:

- Make it colorful and creative!
- Use drawings, stickers, or cut-outs from newspapers/magazines.
- Decorate the cover with the title: "Games Are Fun!"
